DUCATI

ITALIAN PASSION SINCE 1926

2026 · CRUISER

DIAVEL V4

168 hp, a 240 mm rear tyre, and no equal.

The Diavel V4 is a power cruiser like nothing else: the 168 hp V4 Granturismo, quad stacked exhausts, a single-sided swingarm and a 240 mm rear tyre. Relaxed to ride, savage when asked, with cornering ABS, cruise control and Ducati Power Launch as standard.
